**Call for application to Pan-African Academy
of Christian Surgeons for 2024**

The Hope Africa University is pleased to inform all interested applicants in advancing surgical care that the Recruitment for the 2024 PAACS application cycle is now opened.

The Pan-African Academy of Christian Surgeons (PAACS) is a strategic response to the need for surgeons in Africa. We are a non-denominational, multinational service organization training African physicians to become surgeons who are willing to remain in Africa to meet this need. PAACS also disciples these residents to share the love and gospel of Jesus Christ with their patients. The surgical and spiritual training of these residents is offered at several well-established evangelical mission hospitals in Africa, under the direction of experienced, board-certified missionary surgeons.

The application is due by April 15th, 2024 and all supplemental materials requested are due by May 15th, 2024 with an anticipated start date in January 2025.
