FINANCE DEPARTMENT

ACADEMIC FEE STRUCTURE

Since 2016, HAU has made its academic fees static due to facing the inflation effects on to needy students which number was continuously going up along the time. It is after 10 years that HAU comes up to reviewing it with the intention of remediate the financial gap created by the inflation , the increment of the barem of lecturers wages, the general life complexity within the country, and to copy with the local competition. So, from January 2024, the following is the academic fee structure to be used and to be applied in all HAU campuses.
